The BUCKAROO 1931

PUBLISHED BY THE
SENIOR CLASS
Breckenridge High School
BRECKENRIDGE, TEXAS

DEDICATION

TO P. E. SHOTWELL, loyal coach of the Buckaroos, who has made Breckenridge High School famous along athletic lines, and who has given to numbers of boys and girls the key to a happier and nobler manhood and womanhood, we dedicate this book, the ninth volume of the "BUCKAROO."

FOREWORD

«»

TO RECORD our failures,
which signify that we have
something more to learn; to
record our successes, which
signify that our study has
not been in vain; these were
our aims in making this
"BUCKAROO."

*R*EMEMBER that we respect you and love you for the things you have taught us and the friends you have been to us. You have helped to make us what we are and what we are to be, and we thank you.

versity; Columbia University.

WHAT a School we have in the Breckenridge Senior High for nearly six hundred boys and girls who have been tolerably busy in their academic pursuits during this session! What a school outside the laboratory and class-room have we in those other wholesome activities that have produced a school spirit in which every student evidently has found courage and enthusiasm! What a school we shall continue to have if that same seriousness of purpose to have a school that is superior shall abide in the hearts of students, faculty, board of education, and a constituency of sympathetic patrons and substantial supporters!

N. S. HOLLAND, *Superintendent*

JOHN F. BAILEY, A. B., 1923
Principal

Baylor University, Waco,
Texas; University of Colorado,
Boulder, Colorado.

To the Students of Breckenridge High School:

As I write, I have before me eight copies of "The Buckaroo"—one for each year from 1923 through 1930. In these books is a history of "Old Breck Hi," recorded in pen and in picture, of which every student of Breckenridge High School may well be proud. In this history we find recorded work, activities, athletic achievement, literary achievement, unparalleled in the state for a school of our size and age. While the boom tide of population was receding we find the number of high school students increasing from 250 to 800, with a corresponding growth in curriculum, affiliation, athletics, etc.

As I walk through the building and about the grounds, I find reminders of former classes, tributes of their love and respect for their school. I find a flagpole from the Class of '25; on the walls of the library, pictures marked '23; a plate in the auditorium with the mark of three classes and other school organizations on it; a trophy case from the Class of 1930; an oil portrait in the auditorium, won for the school by a former graduate, another there left by the Class of '31.

All of the above should be a source of satisfaction and pride to you seniors who are leaving us, and an inspiration to those who are to be seniors next year and the next.

Best wishes to all of you!

SENIORS

A T LAST we have explored that most wonderful place, the Senior room. It has given to us our greatest joy, but we leave it, with greater sorrow, to enter into that immense space called "life".

Our lives, heretofore, have been merely ones of preparation. These rooms have only given to us their secrets, so that we might make use of them in "life".

We say to all those persons who have yet to enjoy the passage through these rooms, "Let not thy footsteps falter".

AS SOPHOMORES we have just begun our journey through the rooms of high school. Our key is knowledge; without it we cannot open the doors.

We have already received the first key and have opened the first door. In this room we have found that life is interesting always, amusing often, and ever educational.

This year we have also received the key to the second room. There are 250 of us who will open the door and delve into the mysteries of the Junior room.

CLASS ACHIEVEMENTS IN 1930-31

WITH Mrs. P. E. Shotwell as sponsor and Mr. H. C. Kennedy as assistant sponsor, nothing but success could be forthcoming for the Senior class. This year has been not only one of achievement in social events, as witnessed by the fact that from the Senior class came the Buckaroo Queen, but also in a financial manner. The Senior class gave to the school a beautiful portrait of Robert E. Lee painted by Dr. Peter Plotkin, a back-drop curtain for the stage, two floodlights, and a 1,000 watt spotlight with color screens. Besides this \$350.00 was given to the "Buckaroo" through the medium of the beauty contest. This money was earned through the sale of concessions at the football games and the sale of sweets with the Juniors on the special to Amarillo. Another source of revenue was the annual play presented by the Senior Class.

It seems that everyone takes advantage of the football games. Like the Seniors, the Juniors devised a plan whereby they could collect some money from the fans. Badges and placards were to be seen everywhere in the fall as a result of the activities of the Junior Class. The sale of candy, chewing gum, pop corn, peanuts, bananas, apples, and "whatnot" on the train to Amarillo gave the Juniors a chance to show the Seniors that they were not only "Co-operators" but also "cooperators". The Juniors gave a play entitled "Nothing But The Truth" on April 3. The crowning event of the season was the banquet given to the Seniors by the Juniors.

Such energy and determination have never before been shown in a Sophomore class. Snatching from the list the few privileges offered them, the Sophomores have taken full advantage of their opportunities. They sold programs at the football games, gave a one-act play, so that they might raise money for the beauty contest, had control of the concessions at the County Interscholastic Meet, and sponsored a pay program given by the quartet from the Harley Sadler show. Their latest money-making venture is something of material benefit to the school (and in order to dispose of some of their "surplus" money). The Sophs have undertaken a project to sponsor the library. They plan to remove all the desks, lay rugs, buy books, magazines, curtains, pictures, and other equipment; in other words, to make the library an utterly inviting and tempting place.

All Hail the Sophomores!

If you can dress to make yourself attractive,
 Yet not make puffs and curls your chief
 light;
 If you can swim and row, be strong and active,
 But of the gentler graces lose not sight;
 If you can make good bread as well as fudges,
 Can sew with skill and have an eye to dust;
 If you can be a friend and hold no grudges,
 A girl whom all may love because they
 must;

If sometimes you should meet and love
 another,
 And make a home with peace and love in
 store;
 You'll work out pretty nearly, to my mind,
 The plan that's been developed through the
 ages,
 And be a woman whom the world will bow
 before.

Nance — did you know that was the first time I saw it.

BRECKENRIDGE HIGH SCHOOL STUDENTS' CREED

I, as a student of Breckenridge High School, will do my best to observe these principles that our school may be a better place for my having been a student here, and that I may improve in body, mind, and character to the extent that I can best serve my city, my state, and my nation.

I will try:

To revere the good name of our school and to refrain at all times from conduct which would cast reflections on it.

To be courteous by doing unto others as we would have them do unto us.

To support the school in any event or enterprise in which she participates.

To entertain none but friendly and sportsmanlike relations with members and school teams.

To adopt an attitude of helpful cooperation in the classroom and assembly.

To refrain from boisterous and unseemly conduct in the halls and elsewhere.

To assume the responsibility of keeping the campus and buildings clean and free from defacement.

To observe the same degree of fairness and courtesy in our relations with teachers and school officers that we should expect in return.

To respect the rights and property of others.

To be clean in thought, speech, and deed in order to be worthy of the name lady or gentleman.

AROUND the coach, the team is centered. It is he who trains the willing brains and muscles to perform the duties which they have to perform. Our coaches have done this work splendidly, giving to the teams their time, effort, and ability. Coaches, you have not only won the hearts of those you have trained, but the esteem and respect of the entire student body.

INA MORRIS

DICK HOLLEY

HAZEL DAVIS

THE leaders of the Pep Squad are truly "leaders" in every sense of the word. They are leaders in executive ability, intelligence, and endurance. It is they who get all the blame if things go wrong, and little praise if things go right. So to these leaders, Ina Morris, Penson Holley, and Hazel Davis, we give our most sincere praise for the work that they have done.

FOOTBALL

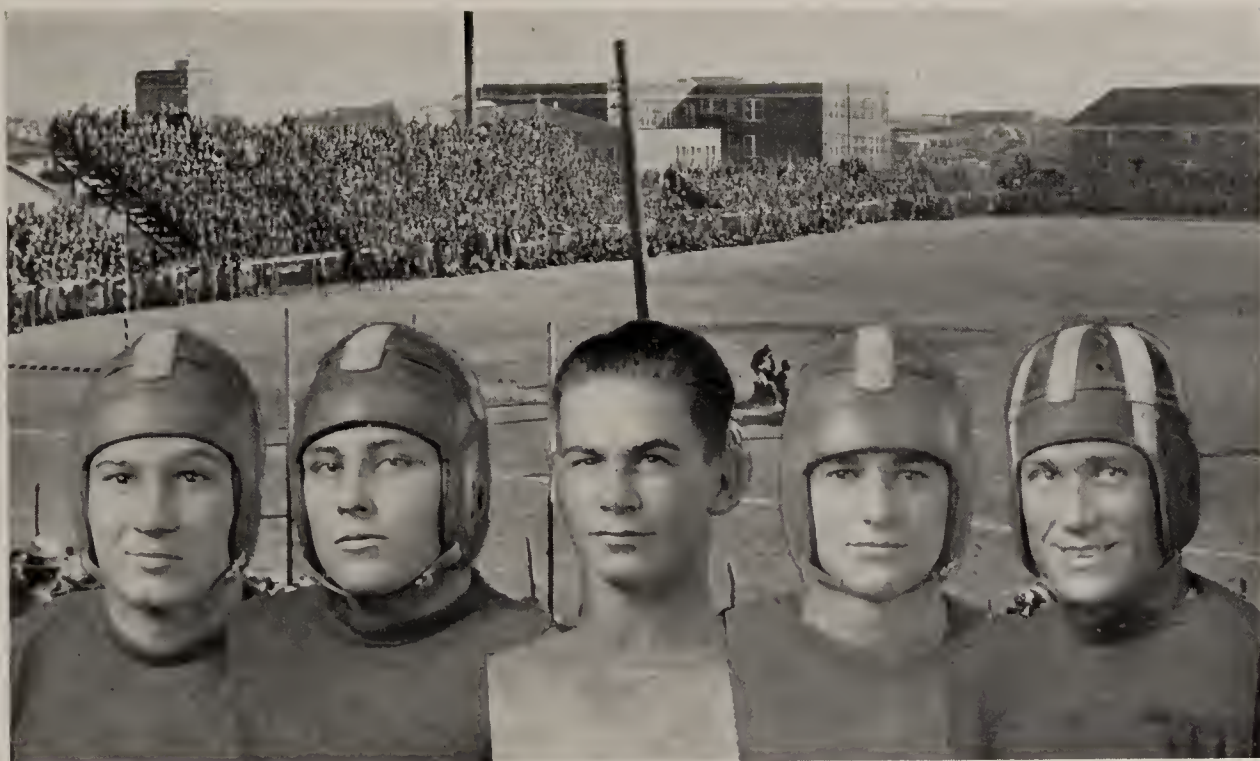

*F*OOTBALL trains the mind, morals, and body in that it teaches one to think fast, to be clean morally, and to be strong physically. The "Bucks" are perfect examples of these characteristics; therefore, it is only right that they should be district champions.

'29 SEASON REVIEW

WHEN Coach P. E. Shotwell came to Breckenridge High School in 1928 he said, "Give me eleven fighting men and we will win, although it may take two years to do it." This man meant every word that he said, and two years after he migrated to Breckenridge he led the "fighting Buckaroos" to the Championship of this Great State.

It is not hard for one to say that the Buckaroos won the Championship, but for those men who had to do the work it was plenty. They had to train, which means that the social side of this school had to be omitted. They suffered bodily injuries, and time and again were called upon in the thick "of the fight" to make some sacrifice for their fellow players. They had to enter some games with the "under-dog" sign hanging over their heads, but each time they emerged from the game the victors. That squad of youths, which were the "Cream" of ole Breck-Hi, were confronted many times by discouragement, and had it not been for their greatest characteristic, "fight," they might have despaired. To the victors belong the spoils, so here's to the great Green Wave of 1929, which made our school famous.

THE football season for the Buckaroos opens with the same coaches that led the team of last year to the State Championship, and with plenty of material. Several of the Championship aggregation of last year will be back under the direction of Coaches Shotwell, Berry, Howorth, and Patton. A very successful season seems at hand for the Buckaroos. We're for you one hundred per cent, team!

COMANCHE AT BRECKENRIDGE

The Buckaroos started their "round up" for the 1930 season by driving the Indians from their "range". Only one blow was struck by the beaten Indians, when a pass thrown, Marshall to McCully, was good for a touchdown. Every Buckaroo was a star, and the game ended, 53-6.

ANSON AT BRECKENRIDGE

There was not a regular player of the 1930 team playing in the game with the Tigers. But those spotted Tigers were completely trapped and beaten by the powerful Buckaroos by the score of 48-0.

MINERAL WELLS AT BRECKENRIDGE

The first class A game was with the Mineral Wells Mountaineers, who invaded the "corral" of the Bucks, but in vain; they were turned back to their hills by a score of 26-0. Boone Magness made his debut on the gridiron for the 1930 season.

BRECKENRIDGE AT BIG SPRING

The first trip for the Buckaroos away from their "Ranch House" was to Big Spring, where they drove the Steers from their "pasture" and "penned" them by a score of 19-0. The damp field slowed the Bucks up somewhat, but the teams were not lacking in star players. Blackburn and Magness shone for the victors, while Flowers was the main player for the Steers.

EASTLAND AT BRECKENRIDGE

The hard-riding Buckaroos, showing plenty of punch on the offense and playing a strong defensive game, "hog-tied" the long-horned Mavericks from Eastland before they could kick a "hoof". The game ended 26-0. Couser and Magness were stars for the Bucks, while Foster was the Mavericks' main player.

CISCO AT BRECKENRIDGE

The Buckaroos entered the game against the pack of Loboes from Cisco, the underdogs. But the onslaught of the fighting Buckaroos was too much for their highly-touted Southern neighbors, and as much as it hurts every student of ole B. H. S. to admit—the score was Bucks 35-Cisco 6. With such an overwhelming victory over the Loboes the Buckaroo fans would be satisfied even if the Bucks lost all of their remaining games.

SWEETWATER AT BRECKENRIDGE

The Wild Mustangs from Sweetwater "stormed" the stronghold of the Buckaroos, but before they left this fair city they were eating from the hands of every member of the Buckaroo team. The score, 52-7.

BRECKENRIDGE AT ABILENE

The Eagles of Abilene nearly flew away with a great ball game at Abilene, but the referee's whistle quickly stopped their flying. The Bucks were ahead in the last quarter by three touchdowns, when an aerial attack started from the ranks of the Eagles netted them two counters and only one more was needed to tie the ever-fighting Bucks. The last blow of the whistle was music to the ears of every Buckaroo supporter. The game ended with the score 26-20 in favor of the Buckaroos. Boy, what a game!

BROWNWOOD AT BRECKENRIDGE

The Buckaroos had a date with the Lions. The meeting place was to be Brownwood, but the Lions agreed to come to Breckenridge provided the Bucks would treat them nice. After such a hard game the week before with Abilene, the Green and White were sore, and only beat Brownwood 28-0.

SAN ANGELO AT BRECKENRIDGE

The fighting Bobcats from the plains of Southwest Texas attacked the Champions, but to their disgust were turned away. The visitors displayed a terrific fight and can well be called Bobcats, but the punches of the Buckaroos were too much for them. The score, 44-0.

BRECKENRIDGE AT RANGER

The Buckaroos, thinking that they had the district championship in their arms, rode to the home of the powerful Ranger Bulldogs, who were the underdogs. Credit must be given to both teams, for there were twenty-two men fighting, as if for their lives. The breaks seemed to favor the Bulldogs and they ran away with the large end of a 7-13 score. Tough luck, for the Bucks must again play Cisco.

BRECKENRIDGE AT CISCO—(2nd GAME)

Two inspired and fighting elevens were on the field when the Cisco Lobos and the Breckenridge Buckaroos met for the second time in one season, to decide who should be the champions of the mighty Oil Belt. The most thrilling game of the 1930 season was played on that grey December day. Lo, and behold! two touchdowns were made by the Buckaroos in rapid succession. The game ended to beat Cisco twice in one season.

BRECKENRIDGE AT AMARILLO

Having played two games within a period of three days, the tired, yet fighting Buckaroos embarked on a journey which took them to the northernmost part of this Lone Star State, there to do battle with the Golden Sandstorms of Amarillo. This game was the third in eight days for the weary team from Breckenridge. With hardly a workout since the Cisco game, the Buckaroo team entered the game and lost by a score of 13-0. The "fight" which has always been a characteristic of a Buckaroo was maintained throughout the game, but in vain, they went down fighting.

CORSICANA AT BRECKENRIDGE

Corsicana and Breckenridge, both having been beaten by the Sandstorm of Amarillo, decided to meet in battle to decide the "Consolation Championship" of Texas. The place for the game was Breckenridge. The teams were evenly matched and a great aerial game was seen, as both teams turned to the air in an effort to win. The game ended in a 20-20 deadlock.

BASKETBALL

BASKET BALL is a hard, fast, clean game played by boys and girls with the same characteristics. It is a great game and builds men and women who are morally, physically, and mentally whole.

BOYS' BASKET BALL

Left to right: GORDY LANGFORD, HAL LANGFORD, RILEY STONE, ANSIL HODGES, HORACE WOHLFORD, ELLIS HUGHES, WELDON TODD, and CAPTAIN EDWARD CHASE.

THE district meet was held in Eastland, and a Round Robin tournament was held. The Buckaroos were not given a great deal of consideration at the opening of the district meet. However, they won their first game from Lapan, 29 to 14, and won the district by defeating their rival, Cisco, by a score of 17-7.

Breckenridge and Big Spring met to decide who should rule their two respective districts. It was decided that three games should be played. The first was played at Breckenridge, and the Bucks lost, 23-24. In the second game, which was played at Big Spring, the Buckaroos also lost this game by a score of 24-31.

BRECKENRIDGE VS. EASTLAND

The first game on the Buckaroo's schedule was with the Eastland Mavericks. The Buckaroo "five" were easily the victors by a score of 17-9. The game was not so fast, but the home town boys showed that they intended to go far in basket ball this year.

BRECKENRIDGE VS. ELIASVILLE

The next opponents that were faced by the Bucks was a strong team from a small town, namely, Eliasville. The game was not lacking in thrills, but the powerful Buckaroos were too much for the visitors, who lost 19-12.

BRECKENRIDGE VS. CISCO

Who could it be but the Loboes from Cisco? They stormed the stronghold of the Bucks and defeated them by a score of 15-10. Yeager, of Cisco, was easily the outstanding player on the court, while the Bucks showed a lot of punch on defense but lacked the scoring ability.

BRECKENRIDGE VS. RANGER

Ranger's High School basket ball team appeared "not so hot" against the Buckaroo machine, and were defeated severely 25-10. They certainly did not live up to their name, Bulldogs.

BRECKENRIDGE VS. ABILENE

The Abilene Eagles certainly did fly away with a fast ball game when they beat the Buckaroos of ole B. H. S. 19-16. It was a very snappy game with the Abilene crew holding the lead throughout.

BRECKENRIDGE VS. EASTLAND

When a team hands another two defeats in one season, it appears that the winner is superior, and that is what Breckenridge did to Eastland. The second game ended, Breck, 36; Eastland, 13.

BRECKENRIDGE VS. ELIASVILLE

The stellar Eliasville crew came near dealing the Bucks a losing hand when they held the home boys to a two-point margin. A good game, a good crowd, a good score—18-16.

BRECKENRIDGE VS. JACKSBORO

Jacksboro slipped up on the Bucks and gave them a plenty good beating. When the Bucks woke up, it was too late. Jacksboro, 24; Breckenridge, 22.

BRECKENRIDGE VS. CISCO

What, again? Yes, and the same story that Breckenridge heard once before this season, a defeat at the hands of the powerful Loboes from Cisco. The score, Cisco, 25; Breck-Hi, 21.

BRECKENRIDGE VS. ABILENE

The most thrilling game of the season was played with the Abilene High School Eagles. The sad part was that the Bucks did not win this ball game that gave the fans heart failure. The score, Abilene, 21; Breck, 19.

BRECKENRIDGE VS. RANGER

Another day, another game, another thrill, and another defeat at the hands of the Ranger Bulldogs. The visitors did not like the last defeat the Bucks gave them, so they evened the count by a score of 24-23. What a tight game!

BRECKENRIDGE VS. JACKSBORO

Well, well, and the Jack county pride slipped the Bucks another defeat. The score doesn't indicate the snappy game that it was. Anyway, Jacksboro, 37; Breck, 17.

BRECKENRIDGE VS. FRANKELL

The first game that the Buckarettes played of any importance was with the Frankell team. It was a hard-fought game with the Breckenridge High School girls winning 20-16. Sullivan and Tolle were the stars for the home-town team, while Jordan and Robinson shone for the visitors.

BRCKENRIDGE VS. ELIASVILLE

The "Pride of Young County," Eliasville, failed to down the peppy Buckarettes and were beaten 21-17. Davis and Sullivan were easily the "bright lights" for the Buckarettes, and Vestal and Smith were the heroines for the scrappy Eliasville five.

BRECKENRIDGE VS. CISCO

Lo, and behold! There came from the south of the Buckarettes a swarm of Queen Bees, whose sting was too great for the Breckenridge High School girls. Sad to say, Cisco, 16; Breckenridge, 13.

BRECKENRIDGE VS. RANGER

The Buckarettes were again victors and this time it was over Ranger, winning 24-22. It was a very snappy game with Lindsey of Ranger the outstanding player.

BRECKENRIDGE VS. PARKS

Boy, what a game! and what a score the little Parks High School team gave the confident Buckarettes. Well, to make a long story short—Breckenridge, 21; Parks, 20.

BRECKENRIDGE VS. ELIASVILLE

Well, well, well, and another defeat. The Eliasville team must have felt offended when the Buckarettes won the first game from them at the start of the season, and came back with "blood in their eyes" to win from the ever scrapping Buckarettes 18-23.

BRECKENRIDGE VS. CISCO

Showing a much better offense and a very strong defense, the Buckarettes evened the duel between Breckenridge-Cisco, winning from the Queens 26-19.

BRECKENRIDGE VS. RANGER

The Ranger girls seem to be a "jinks" that the home town talent just can't beat. In the second game with the Ranger girls the score was 29-30. What a shame, and only lacked one point for a tie, but then, them thar things do happen.

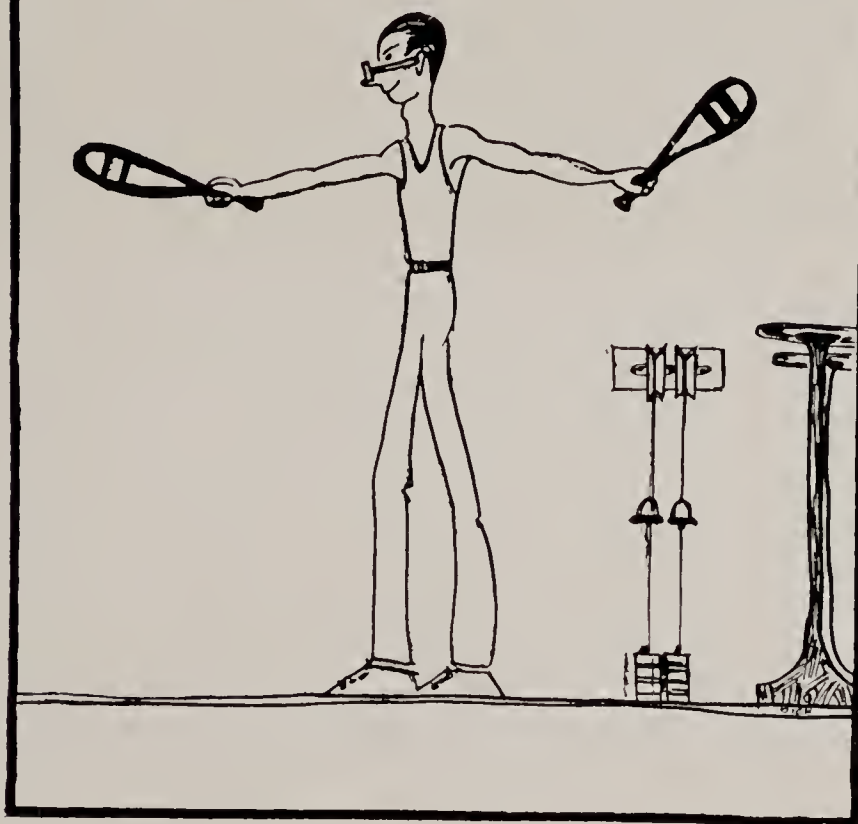

BRECKENRIDGE VS. MINGUS

The only game that the Buckarettes played with Mingus was won by the Mingus "six." The visitors appeared to be superior in their ability to win, but no team could have put up a better fight than the Buckarettes did. The score, Mingus, 29; Breckenridge, 25.

BRECKENRIDGE VS. DUBLIN

Who else could it be but Dublin, a team that the Buckarettes enjoy beating. Since it gives them so much pleasure they did a good job of it by beating them 34-28.

MINOR SPORTS

ALTHOUGH the minor sports do not always get the recognition due them, this phase of school life is utterly necessary. We are proud of those who have participated in them and who have brought glory to the school.

These lads won the county championship without having to play a game, as they beat every team they played before hand, including the Sr. team of Jr. High school.

We are proud of these Jr. boys who aspire to play for the Green and White when they become juniors and seniors in Senior High School.

WHAT A BOOK!

● Never do school annual staffs appreciate the full significance of "leadership in the printing and binding of year-books," until they actually experience the thrill of opening the first shipping case containing *their own Kraft Built* annuals. In the past eighteen years, more than 350 year-

book staffs have experienced that thrill . . . just as they have enjoyed, in the preceding months, the helpfulness of experienced, thorough, personal service. Staffs of 1932 will do well to give serious consideration to this organization, when placing their printing and binding contracts. / / / / / / /

Miss M.

Dear Nancy,
I have enjoyed being with you,
and I am wishing you a very successful
life.

Upon a hilltop on a great big-rock
is carved three words. Forget-me-not.
Yours,
